Dear Sir:

In response to your post card of September 14th,
the American Journal of Numismatics is no longer published.
We now issue Numismatic Notes and Monographs, a sample copy
of which is being sent you under separate cover. I am en-
closing a list of the entire series. These are not publish-
ed regularly, and the price varies with the size of the issue.
Though not issued periodically, the number published per year
is fairly uniform, and the series replaces that of the Ameri-
can Journal.

Trusting that this gives you the desired information,

Very truly yours,

Enc.
